McNeil: Commander, Mrs. Nellie S. Roben; lieutenant commander, Mrs. Florence Veale; past commander, Mrs. Eva J. Perkins; record keeper, Mrs. Violet Scott; financial auditor, Mrs. Eliza L. Carroll; chaplain, Mrs. Margaret Carroll; lady-at-arms, Alice V. Frank Meade, the silk salesman from Chaucery street, Boston, who sold into a pool of freshly sprayed oil at North Barre yesterday when he alighted from a jitney and started to calm a frightened horse driven by young Louis Goller, is going to hold the city to strict accountability and to the end that he may be reimbursed for the loss of a perfectly good suit of clothes and a shirt, he has presented a bill which is to be read before the city council next week. Mr. Meade places his bill at \$25, figuring the suit at \$25 and the shirt as you please. P. N. Chamberlain, the jitney driver, is also inclined to look to the city for compensation, and Mr. Meade's plea for remuneration recognition had no better champion than the driver, who appeared with the salesman in Grand Juror William Wishart's office at city hall soon after the accident. From the grand juror's office, Mr. Meade went to a tailor shop.

## Just Returned from New York

This was one of our most satisfactory trips for years. We bought heavier; a larger variety. We bought exceptional values for our bargain basement that will be opened in a few days. If we don't catch your business this season it won't be our fault—we will surely have the goods to show. Better make a start by attending our millinery opening Saturday, this week. New goods, enlarged departments, working a little harder to please you.

### New Goods

Goods bought this week in New York, with a few exceptions, will be here so that you can see them by Saturday.

There is one thing that is almost impossible to buy, and that is Plaid Silk in the Scotch Plaids. We had a beautiful line early and have a good assortment to show you now.

Early buying helps you as much as it does us. Only this morning we got a notice of a big advance on all grades of Sweaters. Here is where we come in to help you out. Our Sweaters were all bought early. We have enough to last us from four to eight weeks without an advance.

We are the largest distributors of Hoagknit Sweaters in Vermont. This may seem skeptical. It's a fact. There is a reason for this large Sweater business. Get better acquainted with this Sweater.

### New Goods

Some two years ago, after years of hard shopping, we found what we believe to be one of the best Neckwear houses in New York City. One thing sure, they are thoroughly reliable. This accounts for our confidence in their Neckwear.

New fall Neckwear is certainly very attractive.

In a few days we will have a good display of Rag Dolls, Indestructible Dolls, and a few imported German Dolls. These will be shown in our bargain basement.

There are on the way some very good things in Wash Goods that are new in weave and new in pattern designs.

New Cloakings for Ladies' and Children's Coats. These are on the way. Will be here Saturday.

New Outings and better prices on all kinds of Outings than last season.

New Ribbons and new Laces.

New fall styles in Percales and Muslins.

### Ladies' White Waists

We have just received a large shipment of White Waists that are of an unusual value. This is a large lot of Waists that we bought at a price to sell for \$1.00 each.

At \$1.00 each are a number of different Waist styles that are made from a fine quality Voile and French Lawn; some are made with fine lace insertion down front and a fine lawn collar, long sleeves; are unusual values at \$1.00.

At \$1.25 we have a new model in a White Jap Silk Waist with embroidered front. This Waist is made long sleeves.

At \$1.25 is a new Jap Silk Waist in assorted striped stripes; will wash like muslin; is made in a very neat style.

At \$1.25 are a number of White Muslin and Voile Waists that are made in a variety of the season's best styles; are extra values at \$1.25.

At 98c each are a few White Waists that are a little mused; were \$2.00 and \$2.50. Now 98c.

At 69c are a few odd Waists that were \$1.25 and \$1.50; to close at 69c.

### Our New Fall Dresses

While in New York this week, we were able to get some unusual values in Ladies' Silk Dresses, Lace Dresses and the Combination Silk and Wool Dresses. These are made in the season's best styles and are made by real Dress artists. We would be pleased to show you the line.

At \$10.00 each we have some unusual Evening Dress values. These are Dresses that are just new from the designers and are extra good.

At \$12.50 are ten different Dress models that are each different in design. These are models that are entirely new and are made in laces finished with bands of silk, and silk and wool combination, and plaited chiffons, in all the best colors and shades. This is one of the best Dress values we ever have been able to offer.

In the better grade Dresses we can show you a large variety of models in the new Silk and Wool Combinations at from \$10.00 up to \$20.00.

We have a few odd Dresses in All Wool and in Silk that we are making very low prices on to close. See this line of Dresses.

## Our Fall Millinery Opening Saturday, September 18th

This is a department that has had an immense growth in the last two seasons, and because of this growth we have had to add double the space to the department, and in order to give Miss Whitney more time to look after the trade we have with us this season Miss Atwood of Amesbury, Mass., who comes very highly recommended from such houses as "The Model Milliner" of Brockton, Mass., The Paris Co. of Fitchburg, Mass., G. M. Wetheren of Temple Place, Boston, and others. We have a large showing of the season's best models now ready for your inspection. Come out to this opening and let us show you one of the largest displays of ready-made hats that we have ever shown and at popular prices.

Robert Clark and George Mowatt have called a meeting of the North Barre Cribbage league which is to be held in the Bonaccord pavilion this evening at 7:30 o'clock for the purpose of enrolling members for the winter cribbage tournament. From the number of entries already made, it is predicted that the forthcoming tournament will be one of the most successful in the history of the league. A schedule of contests is to be arranged early enough to permit a start in the tournament before the winter is well under way.

High water marks in state fair attendance from this vicinity as reached on Wednesday and Thursday were appreciably diminished to-day, the last day of the big White River Junction exhibit.

Fewer automobiles made the 50-mile trip down-state and there were no special trains over the Central Vermont railroad. Around 20 tickets were sold at the Central Vermont station this morning to fair-goers who left for the Junction on the 8:25 train.
